Founder's Message

"My journey in tourism began in 2012 as an independent tour guide, with nothing but passion for my island and a deep desire to share Zanzibar's hidden treasures with the world. Over the years, I've had the privilege of guiding travelers from many different countries, each visit creating new stories, new smiles, and unforgettable memories.

In 2023, I proudly registered Cheichei Zanzibar Tours and Safari as a licensed local operator and Licensed under the Zanzibar Commission for Tourism.

This step was more than just formal, it was a promise. I A promise to continue delivering authentic, safe and personalized travel experiences while uplifting local communities and promoting sustainable tourism.

Cheichei Zanzibar isn't just a company, it's a reflection of my heart, my roots and my commitment to excellence. When guests tour with us, they experience more than just the beaches or the spices. They connect with the people, the culture and the soul of Zanzibar.

Client Testimonials

"The best in Zanzibar! I recommend Cheichei from the bottom of my heart! It was my Birthday and they made me feel so special on my day! First, I was surprised that they had decorated our boat with flowers, balloons, and letters, everyone was jealous. Then we saw the dolphins near Mnemba island, where we also did snorkeling for a veeery long time. Cheichei team had prepared cake just for me. So we danced and sang a lot here, I cut the cake and server everyone there. We were again allowed to stay for a while there to enjoy the cristal clear water. After that we headed to the beach, were 2 beach beds with a table were prepared for us, abd we had the best Seafood grill in our lifes! I would like to thank to Simba and the whole team for making my day the most memorable kn my life. Next time I go, I will book all the excursions with them, as they offer a lot more and tailored by your wishes. Prices were very reasonable compared to the hotel prices. Here are some photos to prove my review"

Highly recommended trip with the very professionell Chei Chei Tour. They offer an excellent service with a high class car, fresh fruits and drinks at all time. Specially the guide Simba gave us a very special moment with our two kids (10 + 12 years). We had a blast snorkeling and spending the day on the boat. We were very happy with Simba! Two thumbs up and of course 5 Stars. Thx Simba for these special moments!

" Simba and his team are amazing people! My husband and I came to Zanzibar for our honeymoon and had the best time thanks to him. He was recommended to us by a family friend and we reached out to him about tours we were interested in. He responded promptly with all the information we needed. He organized drivers for us. His prices are also great. He gave us history on the island of Zanzibar. He also organized a safari trip for plus in mainland Tanzania. I've traveled to many places before but my experience here is definitely one for the books! Thanks again for making this one of our favorite trips! Please book Cheichei Zanzibar Tours and Safari without any hesitation. I can't wait to travel back home and tell everyone I know. Both my husband and I are very grateful to you for this wonderful experience. Asante sana! "

"Simba bekommt von mir 5 Sterne und wenn es ginge noch einen mehr ! Egal ob eine Bootstour zum Schnorcheln, ein unvergessliches Erlebnis mit den Delphinen, ein Ausflug nach Stone Town inklusive „Prison“-Island oder einfach die Orga für ein Taxi..... Bei Simba ist man gut aufgehoben! Die Preise sind korrekt und werden nicht nachverhandelt, er war immer pünktlich und sehr bemüht, alle unsere Wünsche zu erfüllen. Absolut empfehlenswert !!👍"
